Harry & Bonnie met in the early 2000's as cousins in-law. They both studied at the same Art School (the TAFE with the big reputation for it's brilliant arts department) and have continued to admire each others works since. We have selected some of Bonnie's recent works from her show earlier this year at Fern Street Gallery, Gerringong to sit side by side Harry's architectural landscapes, as we think they compliment each other well!
